

****50/50 Raffle Important Information****

Thank you for participating in the raffle.

We wish you the best of luck!

Please be aware that if you are the lucky winner and the winning amount is \$600 or greater, we will be requesting you complete an IRS form W-9, Request for Taxpayer Identification Number and Certification.

As required by the IRS the Arizona Area will be reporting the raffle winnings on the 2025 tax return. You will receive a 1099-MISC (used to report various types of income, prizes, awards, or gross proceeds) at the end of the year.

PLEASE NOTE: Donating a portion of the winnings to the Convention will NOT eliminate the need to have the W-9 form completed or the need for the Arizona Area to report the winnings.

But we would surely appreciate your donation!
