

To find any meeting in a geographic Area, both physical and electronic meetings.

1. Go to <https://al-anon-az.org/> - click on **Find a Meeting**.
2. On that page click **Search Al-Anon/Alateen Meetings** which links to WSO <https://al-anon.org/al-anon-meetings/find-an-al-anon-meeting/>
3. There you can do a search according to various criteria. Such as:
Group Type (Al-Anon or Alateen), Meeting Language, or Meeting Day.
4. Once you put in your search criteria a list of meetings will appear on the right-hand side with all the meeting information. Including the WSO ID #. And a map will appear with icons on it.

The code for the icons - a light blue tear drop icon is for a physical meeting location.
- a darker blue rectangular icon is for an electronic meeting.

Just a reminder if you go to "Electronic Meetings" <https://al-anon.org/al-anon-meetings/electronic-meetings/> you will be searching for electronic meetings that are only located in the Global Electronic Area (GEA).

I hope this helps in clarifying the new ways you can find a meeting.
