

## Sponsorship Conference Approved Literature and Other Resources

*Sponsorship- Working Together to Recover (M-78)* bookmark

*Sponsorship—What It's All About (P-31)*, our oldest piece on the topic, remains very pertinent. Its latest revision was in 2000.

Chapter Eight, "Learning by Example," on pages 133-147 of *Discovering Choices—Recovery in Relationships (B-30)* is primarily about sponsorship, including numerous personal stories about the sponsor relationship.

*How Al-Anon Works (B-32)*, there is a brief but powerful section on sponsorship on pages 36-38.

*There is a lovely sharing about sponsorship on page 156 of Having Had a Spiritual Awakening... (B-25)*

*...In All Our Affairs (B-15)* and *Opening Our Hearts, Transforming our Losses (B-29)* also have sharing's about sponsorship, as of course do all the daily readers.

*The Forum* magazine continues to include at least one sharing each month about sponsorship, though in the latest design it is not singled out as a department.

Under Archives on our website, there is a brief speech by Lois about sponsorship: <https://al-anon.org/pdf/sponsorshipLois.pdf>

Note: You are free to draw on any CAL or outside resources, and other members or friends can tell you what helped them. That information is not within the scope of these workshops.
